

**Saturday, November 14th, 10am-12pm**

Physics Department Lecture Halls (1410 & 1412)

John S. Toll Physics Building (082), University of Maryland

The Physics Demo Facility at UMD is dedicated to excellence in physics education and outreach to the public. Geared for elementary-middle school students and their parents, Physics Discovery Days are highly-interactive programs offering fun and engaging hands-on experiments and projects.

**Space is Limited... Register Now!**

MARYLAND  
**STEM**  
FESTIVAL

[marylandstemfestival.org](http://marylandstemfestival.org)

With over 300 events across the state, the Maryland STEM Festival provides inspirational, educational, and accessible programming in Science, Technology, Engineering, and Mathematics (STEM) to all of Maryland's citizens through 10 days of collaborative, interactive, and dynamic events and activities!
